# CALUMET "K"

by Samuel Merwin and  
Henry Kitchell Webster

Calumet "K" Samuel Merwin & Henry Kitchell Webster

"A novel, with several elements of rather unusual interest. As a tale, it is swift, simple, and absorbing, and one does not willingly put it down until it is finished. It has to do with grain-elevator business, with railways, strikes, and commercial and financial matters generally, woven skilfully into a human story of love." --*The Commercial Advertiser*

**"Calumet "K" is a novel that is exciting and absorbing, but not the least bit sensational. It is the story of a rush.... The book is an unusually good story; one that shows the inner workings of the labor union, and portrays men who are the bone and sinew of the earth."--  
*The Toledo Blade.***

**"The heroine in this case is the hero's stenographer; but the action of the story grows out of the attempt of rival capitalists and grain men to balk the building of a grain elevator by a set date." --*The Burlington Free Press***

(Excerpts from the advertising material at the end of "[The Merry Anne](#)" by Samuel Merwin)

Read by Betsie Bush. Total running time: 6:06:31
